EVERYDAY PROBLEMS

Daily life problems sucks! But they are also huge opportunities to bring new business to life, so...

BUSINESS PROBLEMS

When it comes to new business ideas, we use to think about our own everyday problems, but often we forget about companies problems. Why not? Thus... they may be a valuable source of ideas and may have some money to help us to bring ideas to life.

FREE IDEAS AREA

The Uber for personal trainers! The AirBnB for boats!
The Tinder for pets!
What well-known business pattern could migrate from one industry to another?

BUSINESS MODELS MIGRATION

No limits for ideas! No judgments or regrets. Stick here your crazy, revolutionary idea that will change the world forever!
